**"Running on Empty or Filled to the Full?"**

**Gale Kernitz** will be our main speaker. She was born into an Ohio farm family, number 8 of 14 children. She learned something of hard work, poverty, and how to get along with others. She is married to her college sweetheart, Bill. They have raised two children, lived in 3-states, 6 cities/suburbs. They currently have returned to her country roots, living on a few acres near Lebanon, Ohio, where they are active members of an Evangelical Free Church.

In 1986 she began studying the Bible in depth initially with a small group of friends, and then in Bible Study Fellowship. Over the years God has used the scriptures to challenge, convict, comfort and change her. She has discovered that God's Word is the nourishment for daily life, growth and service for all who have believed and received Jesus Christ as Lord and Savior. Gale has shared her love of God's word as a teacher and mentor in many venues. She is committed to helping followers of Jesus Christ, especially women, to know, love and follow the LORD Jesus Christ, through the study, understanding and application of the scriptures to their lives.

**"Dress for Success-the Armor of God"**

More important than any physical piece of clothing you will ever wear, God provides us with spiritual clothes that provide more protection than any high tech outdoor gear against an enemy who is more fierce than our worst winter weather!

**Karen Rinehart** has been Youth Director here at OUMC for 12 years. Her favorite fast food is Chipotle, her favorite office supply is a tie between paper clips and post it notes, she can touch her nose with the tip of her tongue, and she loves Jesus! The longer she is in ministry the more she realizes how little she knows, but God is faithful to those who desire truth and will teach willing learners graciously and abundantly! For this blessing she is very grateful!

**"Explaining Salvation to Children and Youth"** - Come & learn to use the Wordless Book as a tool.

**Lorraine Langmade** was a pastor's wife for nearly 50 years and loved it. She and her husband, Gordon, pastored mainly in Southern Minnesota in small churches, often a 3 point parish, and moved about every 5 years. They worked as a team with her interest in children and youth teaching in children's church, release time classes, Vacation Bible School, planning youth retreats, counseling 13 years at camp and spearheading many events like Mother-Daughter Teas, Sweetheart Banquets, etc. After retirement they interned at 3 churches and promoted Red Rock camp in many areas of Minnesota as well as organize 2 Bible studies in her neighborhood, host a few Christmas Teas and storytelling at an after-school Bible club. She has 5 married grown children and 15 grandchildren (one in Heaven) which keep one busy and in her spare time she gardens and loves reading.

**"Fresh Start—If We Could Only Imagine"**

**Jane Whipple** describes herself as an ordinary girl that grew up in South Dakota in a very Christian family. She loves and serves a most extraordinary God, who has allowed her to have some exciting and unusual opportunities in her life. Jane went briefly to St. Paul Bible College (now called Crown College) before attending Wheaton College. After graduating, she taught school and worked as a secretary. Some of her most interesting adventures have included conducting Vacation Bible Schools, camps, and Bible Studies on Indian Reservations, in Alaska, Panama, the Kentucky Mountains, the Mexican border, and a mission school in Vietnam. Jane has recently "retired" to 12 volunteer jobs, four of which are teaching Bible studies.

"Then he who sat on the throne said, 'Behold, I make all things new and he said to me, 'write for these words are true and faithful.'" - Revelation 21:5
